

CEREMONIAL CAKES

Ceremonial Cakes

The Marchesi Pastry Ceremony Collection is the epilogue of every important celebration.

A delicate almond paste, proposed in a wide range of shades suitable for every occasion, is embellished with fine decorations in real ice and sugar paste or by hand-painted motifs.

Marchesi also offers the possibility to customize cakes according to the needs and tastes of the customer to create unique creations.

Our ceremonial cakes are available starting from € 25 per person.

A minimum of 15 guests is required for one- or two-tier cakes, and a minimum of 20 guests for cakes with more than two tiers.
