

CUSTOMIZATION CATALOGUE

Since 1824 - the year of its foundation - Pasticceria Marchesi has been a symbol of excellence for the city of Milan and the favourite destination of elegant cosmopolitan customers. In its artisan laboratories, ancient recipes that have been passed down over the years are used daily, according to a rare tradition of haute patisserie, to make products that are sold in its Milan stores on Via Santa Maria alla Porta, Via Monte Napoleone, Galleria Vittorio Emanuele II and in London on Mount Street. The historic assortment of Marchesi 1824 available in the four stores has now been joined by Christmas gift sets and a selection of products decorated by hand. These products offer the same image of sophisticated elegance that has distinguished Marchesi 1824 for over two centuries and are consistent with Milanese and Italian Christmas traditions.
